

# Thompson Homes receives award

Thompson Homes, Inc., was recently honored with the 2007 Builder of Integrity award from Quality Builders Warranty Corporation (QBW). The award acknowledges a commitment to excellence in customer service and quality construction. As a member of the QBW Program, Thompson Homes has undergone a strict screening process to ensure their commitment to technical excellence, professional dealing, ethical practice and financial stability. Only a small number of home builders nationwide receive the integrity award.

Quality Builders Warranty Corporation is a national 10-year new home warranty program. QBW members provide a 10-year warranty insured by Liberty Mutual on all their homes.
